Alpine Music

Operation Instructions

Types of Precautions

 Prohibited	Indicates a prohibited action (must not be performed).
 Prohibited	Indicates that disassembly is prohibited.
 Mandatory	Indicates a mandatory operation (must be performed).
	Indicates that it should draw your close attention.

Warning

In case of problems, please stop using the device immediately.

Continued use may result in personal injury or damage to the product. Please return the product to the authorised Alpine dealer or nearby Alpine service center for repair.

The product is only suitable for 12V negative-grounded vehicles.

Use within other types of vehicles may create a fire or electrical hazard.

Please contact a professional for wiring and installation.

This product requires professional expertise to wire and install. Please contact the dealer from whom you bought the product to install it safely.

Please do not disassemble or refit.

Doing so may result in product damage, fire or electrical hazard.

Small items like bolts or screws must be kept out of the reach of children.

If ingested, please seek Immediate medical attention to avoid serious injury.

Please do NOT use functions that may distract you while driving.

Any device function that may influence your attention must be used only when the vehicle is stopped completely. To use these functions, make sure to stop your vehicle in a safe area first. Otherwise, it may result in an accident.

While driving, you must maintain the volume at a level that allows outside noise to remain audible.

It is very dangerous not to hear an emergency vehicle alarm or road warning signal (such as a railway crossing) and may result in an accident. Moreover, excessively loud volume may create permanent hearing damage or hearing loss.

Caution

Product maintenance

Please regularly clean the item with a soft, dry cloth. For tough stains, use only water to dampen the cloth as other solvents may result in dissolution.

Temperature

Before starting the device, please ensure that the temperature inside the vehicle is between +60°C and -20°C.

Repair

In the case of a problem, please do not attempt to repair the product yourself. Please return the product to the authorised Alpine dealer or Alpine service center.

System matching

This product is specially designed for Tesla cars and is not suitable for other vehicles.

Installation environment

The device cannot be installed at the following locations:

- Under direct sunlight or near a source of heat.
- With high humidity or near a source of water.
- Dusty environments.
- Environments with violent vibration.

Components

Subwoofer

× 1

Specifications

Subwoofer	10" (254mm) Woven carbon fibre cone
Subwoofer diameter	262mm
Unit weight	6.1kg
Maximum rated power (RMS)	100W
Maximum peak power (Peak)	500W
Impedance	4Ohms (DCR 3.6Ohms) + 4Ohms (DCR 3.6Ohms)
Sensitivity	86dB SPL (1W @ 1m)
Frequency response	25Hz - 300Hz
Resonance frequency	25Hz
